## Back-to-School Communications Readiness Packages

### Be ready for the start of school!

Do you know what your Bb Communication product can do for you? Is it being utilized to its maximum potential? Hire one of our premiere consultants to help you hone and refine your tool. There is a lot more capability you can leverage and much more peace of mind with products you already have!

### Mass Notification Package

---

**\$1,500**

Collaborate with a training consultant for an assessment of your knowledge and usage of your product

Receive one-on-one custom consulting to review assessment findings

Update your primary users (principals, etc.) with a 2-hour training for up to 15 participants

### Mobile App Package

---

**\$1,500**

Collaborate with a training consultant for an assessment of your app's look and functionality

Receive updated promotional materials to encourage downloads and usage of your app

Receive custom consulting to "Re-launch" your app in your community
